Dave,

Thank you for forwarding the information presented at the meeting. I have forwarded it to Bethany Dreyfus, the attorney for the Motorola 52nd Street Site.

Bethany will be contacting you to set up a meeting in October with Roosevelt Irrigation District, EPA, and ADEQ (some parties may choose to participate by phone). I think it is important that the whole Site team understands RID's plans and I think it would be helpful for RID to get a better understanding of EPA's and ADEQ's plans for the Site.

If you have any questions, please call Bethany Dreyfus at: (415)972-3886.

Thank you.
Dusty

Mr. Minor,

Per our conversation, attached for your information are copies of the September 16 RID PRP Presentation, a redacted copy of the "notice letters" sent to PRPs inviting them to the September 16 meeting, and a redacted copy of a PRP Fact Sheet that was distributed to individual PRPs at the September 16 meeting. We look forward to meeting with appropriate EPA personnel to present RID's current proposals. Please advise us of available dates for such a meeting.
